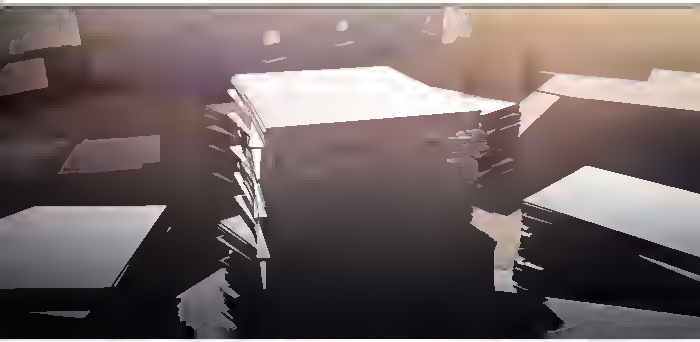
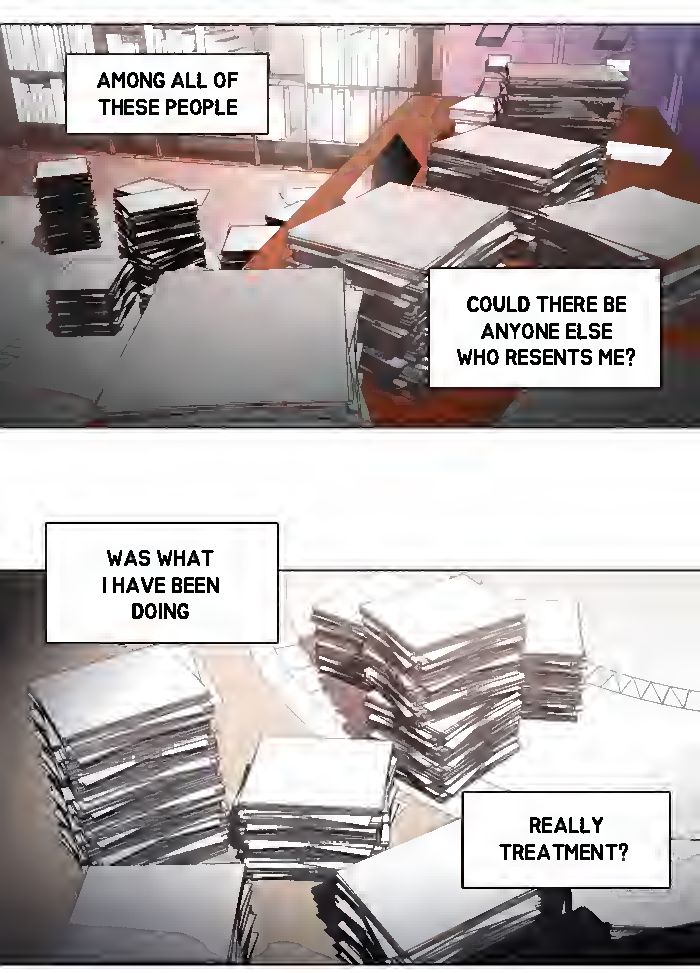
SONG

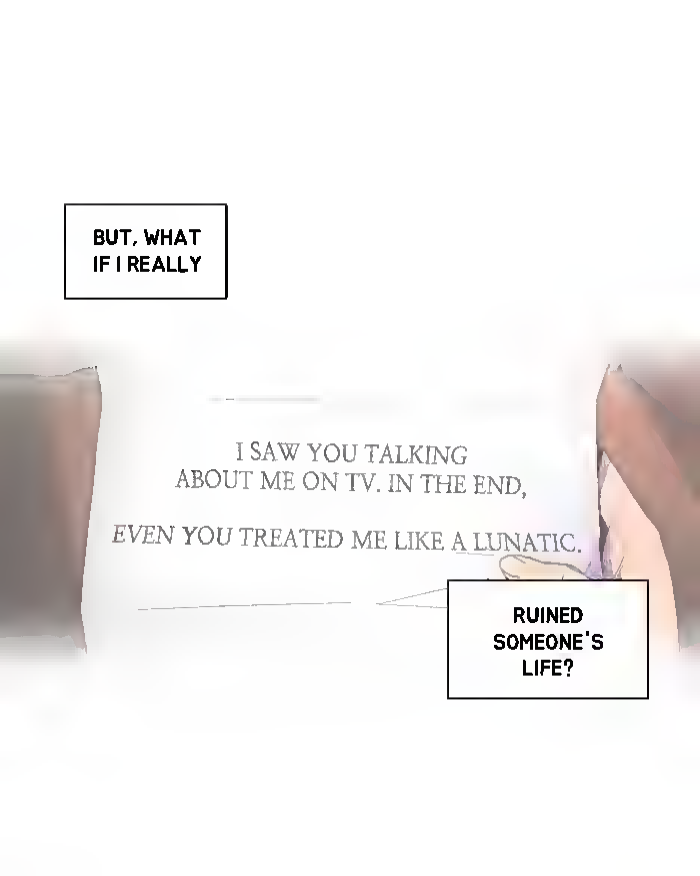


THERE ARE SO MANY
.....I CAN'T BELIEVE I'VE TREATED THIS MANY PEOPLE.
IT FEELS STRANGE

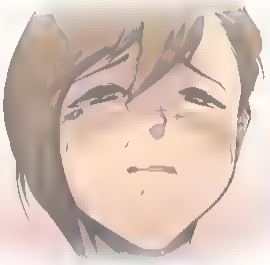


AMONG ALL OF THESE PEOPLE
COULD THERE BE ANYONE ELSE WHO RESENTS ME?
WAS WHAT I HAVE BEEN DOING
REALLY TREATMENT?

ND.
I REALLY DID TRY MY BEST.

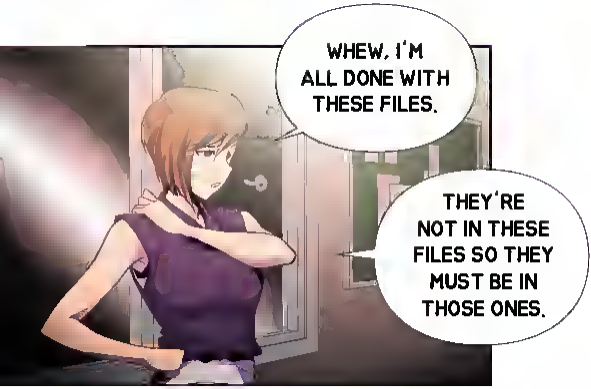


BUT, WHAT IF I REALLY
I SAW YOU TALKING ABOUT ME ON TV. IN THE END,
EVEN YOU TREATED ME LIKE A LUNATIC.
RUINED SOMEONE'S LIFE?

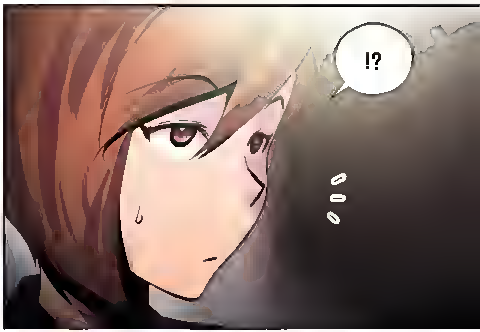


IS THIS HOW YOU FELT TOO?

DON'T JUST SIT THERE AND MAKE ME DO ALL THE WORK.



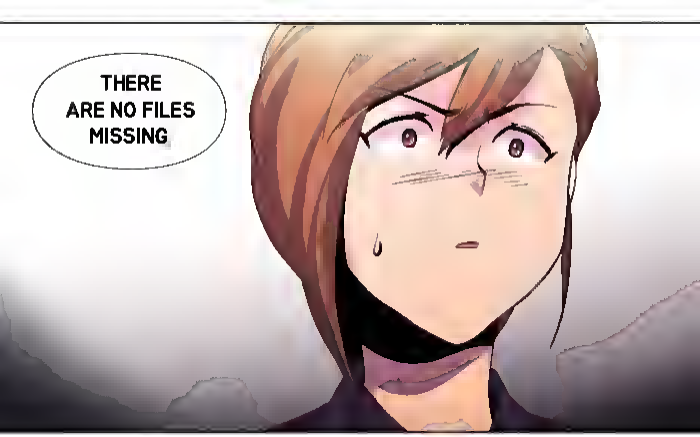
WHEW, I'M ALL DONE WITH THESE FILES.
THEY'RE NOT IN THESE FILES SO THEY MUST BE IN THOSE ONES.



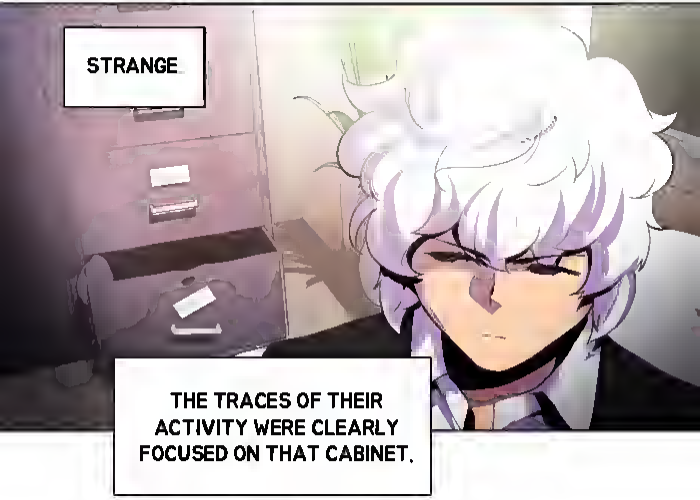
!?

HEY,
WHAT ARE
YOU DOING?
.....

IT'S STRANGE
YOUR FILES AND PROFESSOR CHUN'S FILES
MATCH COMPLETELY.



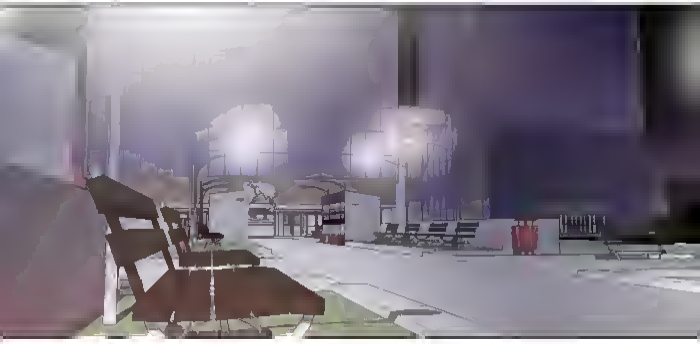
THERE ARE NO FILES MISSING

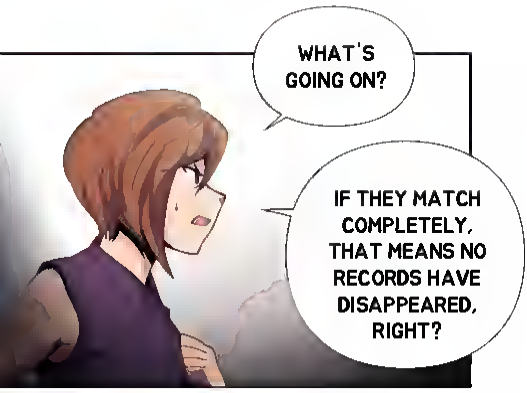


STRANGE
THE TRACES OF THEIR ACTIVITY WERE CLEARLY FOCUSED ON THAT CABINET.

BY JONGBEOM LEE

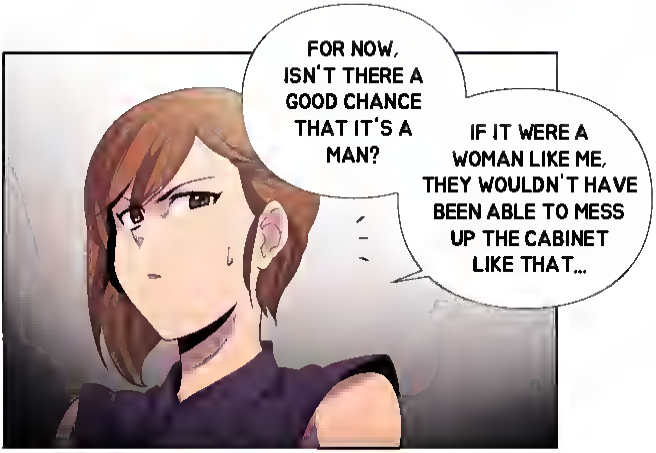
- MIRRORS (5)



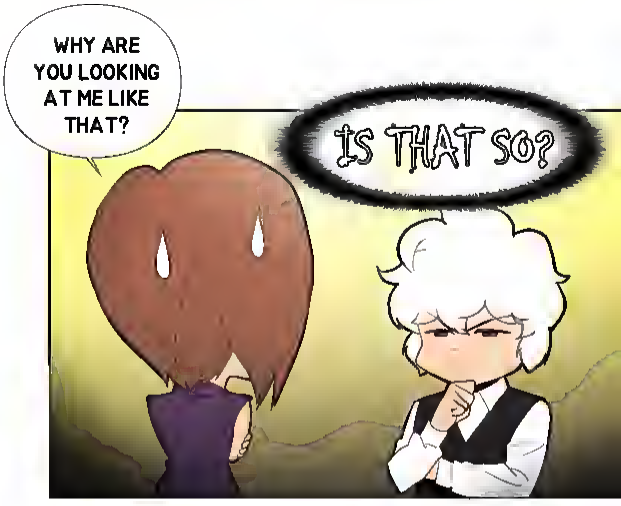


WHAT'S GOING ON?
IF THEY MATCH COMPLETELY, THAT MEANS NO RECORDS HAVE DISAPPEARED, RIGHT?

THERE ARE SEVERAL POSSIBILITIES.
WE'LL HAVE TO NARROW THE RANGE WITH A DIFFERENT STANDARD



FOR NOW, ISN'T THERE A GOOD CHANCE THAT IT'S A MAN?
IF IT WERE A WOMAN LIKE ME, THEY WOULDN'T HAVE BEEN ABLE TO MESS UP THE CABINET LIKE THAT...



WHY ARE YOU LOOKING AT ME LIKE THAT?
IS THAT SO?

THERE'S ALSO THE POSSIBILITY THAT THEY USED A TOOL
SO IT'S HARD TO DETERMINE THEIR GENDER BASED ON THAT ALONE.

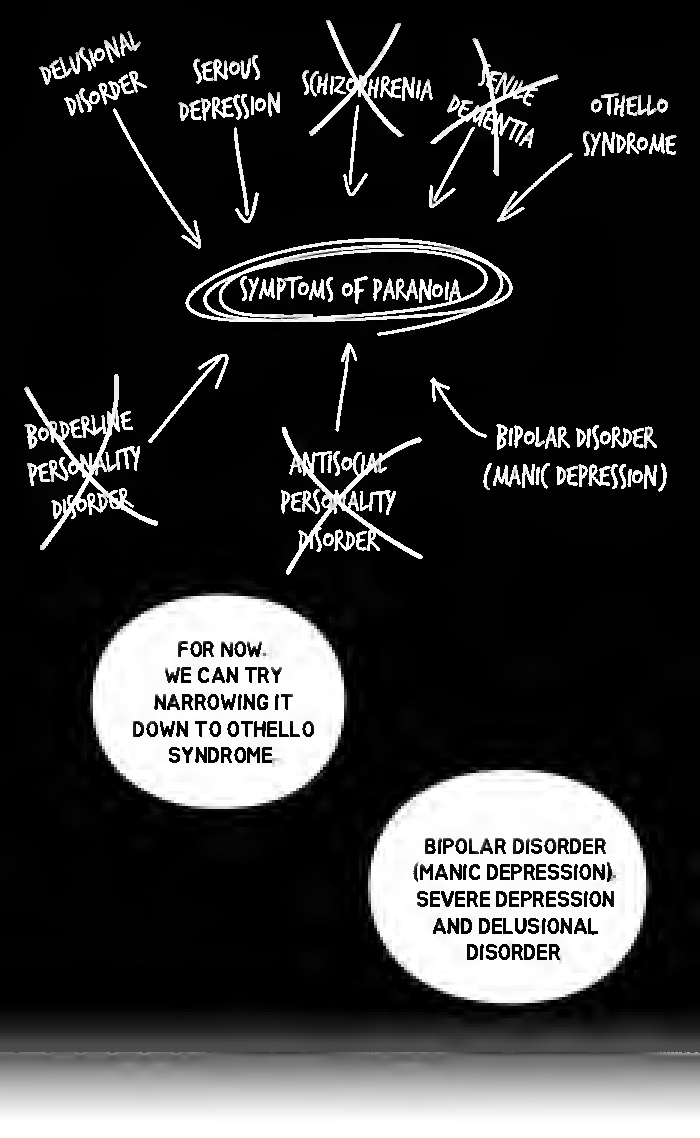
WE CAN NARROW IT DOWN BASED ON SYMPTOMS.
THERE ARE SO MANY THINGS THAT CAN CAUSE PARANOIA.
DELUSIONAL DISORDER
SERIOUS DEPRESSION
SCHIZOPHRENIA
SENILE DEMENTIA
OTHELLO SYNDROME
SYMPTOMS OF PARANOIA
BORDERLINE PERSONALITY DISORDER
ANTISOCIAL PERSONALITY DISORDER
BIPOLAR DISORDER (MANIC DEPRESSION)

THE RAGE ANO RESENTMENT FOR THE COUNSELOR SHOW THAT IT COULO BE BOROERLINE PERSONALITY OISOROER OR ANTISOCIAL PERSONALITY OISOROER.

BUT IT SEEMS TO BE CLOSER TO ANGER MANAGEMENT OISOROER THAN PARANOIA.

SINCE THE CONTENT OF THE THREATS ARE CONSISTENT.

WE CAN RULE OUT SCHIZOPHRENIA ANO SENILE OEMENTIA.



DELUSIONAL DISORDER
SERIOUS DEPRESSION
SCHIZOPHRENIA
SENILE DEMENTIA
OTHELLO SYNDROME
SYMPTOMS OF PARANOIA
BORDERLINE PERSONALITY DISORDER
ANTISOCIAL PERSONALITY DISORDER
BIPOLAR DISORDER (MANIC DEPRESSION)
FOR NOW. WE CAN TRY NARROWING IT DOWN TO OTHELLO SYNDROME
BIPOLAR DISORDER (MANIC DEPRESSION). SEVERE DEPRESSION AND DELUSIONAL DISORDER

RECORDS AFTER 2003 CAN BE SEARCHED ON THE COMPUTER.
BUT DO WE HAVE TO CATEGORIZE THE RECORDS BEFORE THEN?

PROFESSORS!
WHISH!
HAVE A BITE TO EAT!!!

...HM?

.....

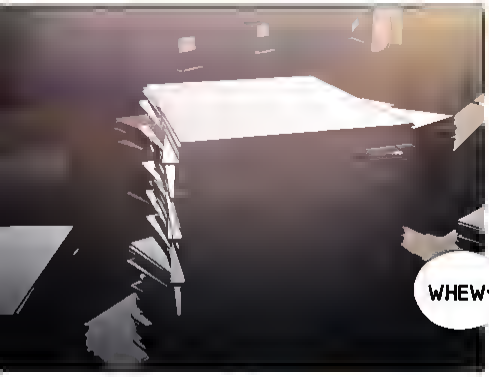
GUYS!?
WHISH!
HAVE SOMETHING TO EAT!

...HM?

.....

HEY!
WHISH!
HAVE YOU GUYS EATEN!?

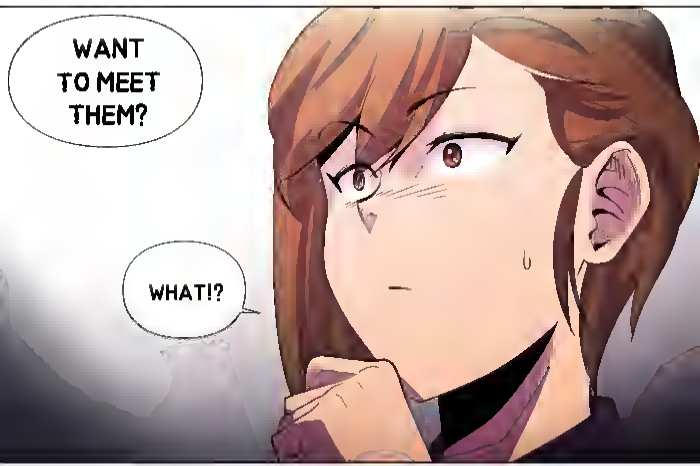
CLICK-
HEY!?



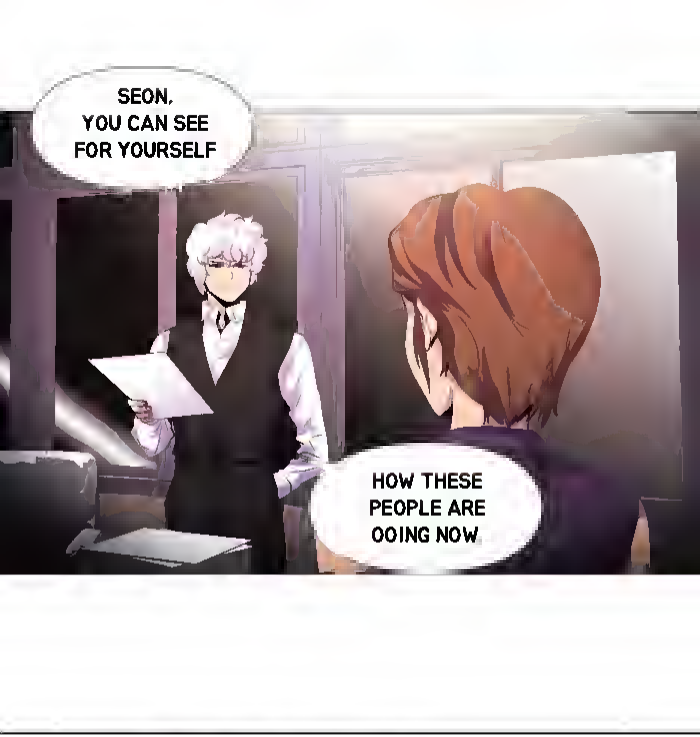
WHEW-

IS THIS EVERYTHING!?
SEEING THEM ALL TOGETHER THERE AREN T AS MANY AS I THOUGHT.

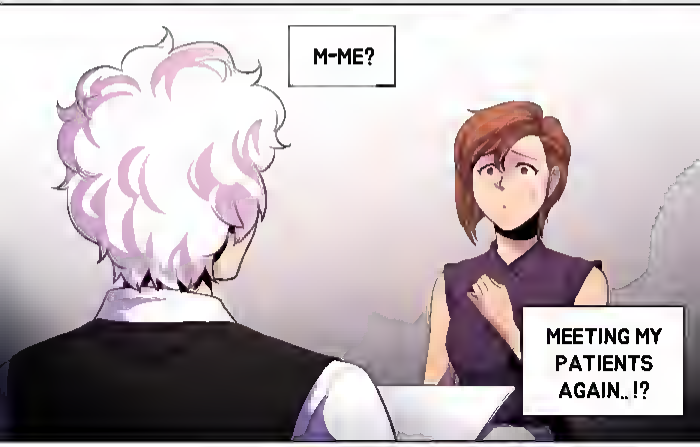
SEON.
OUT OF ALL THE PATIENTS YOU VE TREATED SO FAR
ANY PATIENTS WHO HAVE SHOWN SYMPTOMS OF PARANOIA ARE GATHERED HERE.
WHAT ARE YOU GOING TO DO NOW?



WANT TO MEET THEM?
WHAT!?



SEON,
YOU CAN SEE
FOR YOURSELF
HOW THESE
PEOPLE ARE
OOING NOW



M-ME?
MEETING MY
PATIENTS
AGAIN..!?

TO BE CONTINUED
